I hereby give my permission to Dr. Mueller and his staff to obtain diagnostic records in the way of clinical exams, radiographs (x-rays), impressions, and photographs necessary in the determination of treatment to be rendered. I further agree to authorize the release of these records and/or duplicates to my insurance carrier should they be requested. I understand that there may be a charge for record duplication should my insurance carrier so request. Should I decide not to proceed with the proposed treatment, I understand that there will be a charge for the records. This cost will be included as part of the total treatment fee should I elect to accept the proposed treatment. I have reviewed the above statement and been given the opportunity to ask questions about any and all portions that are unclear. I agree to the above statements.

I authorize and request my insurance company to pay directly to Dr. Mueller any insurance benefits otherwise payable to me. I authorize the doctors to release all information necessary to secure the payment of benefits. I understand that I am financially responsible for all charges whether or not paid by insurance. I authorize the use of this signature on all insurance submissions.
