I give my permission to Dr. Mueller and his staff to obtain diagnostic records in the way of clinical exams, radiographs (xrays), impressions, and photographs necessary in the determination of treatment to be rendered. I further agree to authorize the release of these records and/or duplicates to my insurance carrier should they be requested. I understand that there may be a charge for record duplication should my insurance carrier so request. Should I decide not to proceed with the proposed treatment, I understand that there will be a charge for the records. This cost will be included as part of the total treatment fee should I elect to accept the proposed treatment. I have reviewed the above statement and been given the opportunity to ask questions about any and all portions that are unclear. I agree to the above statements.

I authorize and request my insurance company to pay directly to Dr. Mueller any insurance benefits otherwise payable to me. I authorize the doctors to release all information necessary to secure the payment of benefits. I understand that I am financially responsible for all charges whether or not paid by insurance. I authorize the use of this signature on all insurance submissions.
